

ФЕРМЕР СЯПИН

My story

Mikhail Sayarin

The beginning

The connection with agriculture began before I was born

First years

The whole childhood next to the animals

First years

Learning

Gradual deepening into the process

Learning

Learning

Full participation in the work

Learning

The educational process
and attending industry events

Michael Sayapin
Sayapin Farm

Canada July 14-21 2018

Partner: animat
Organizers: THE DAIRY NEWS, RDRC

Learning

Management

Involvement in production management processes

Management

Full-fledged partner participation in production

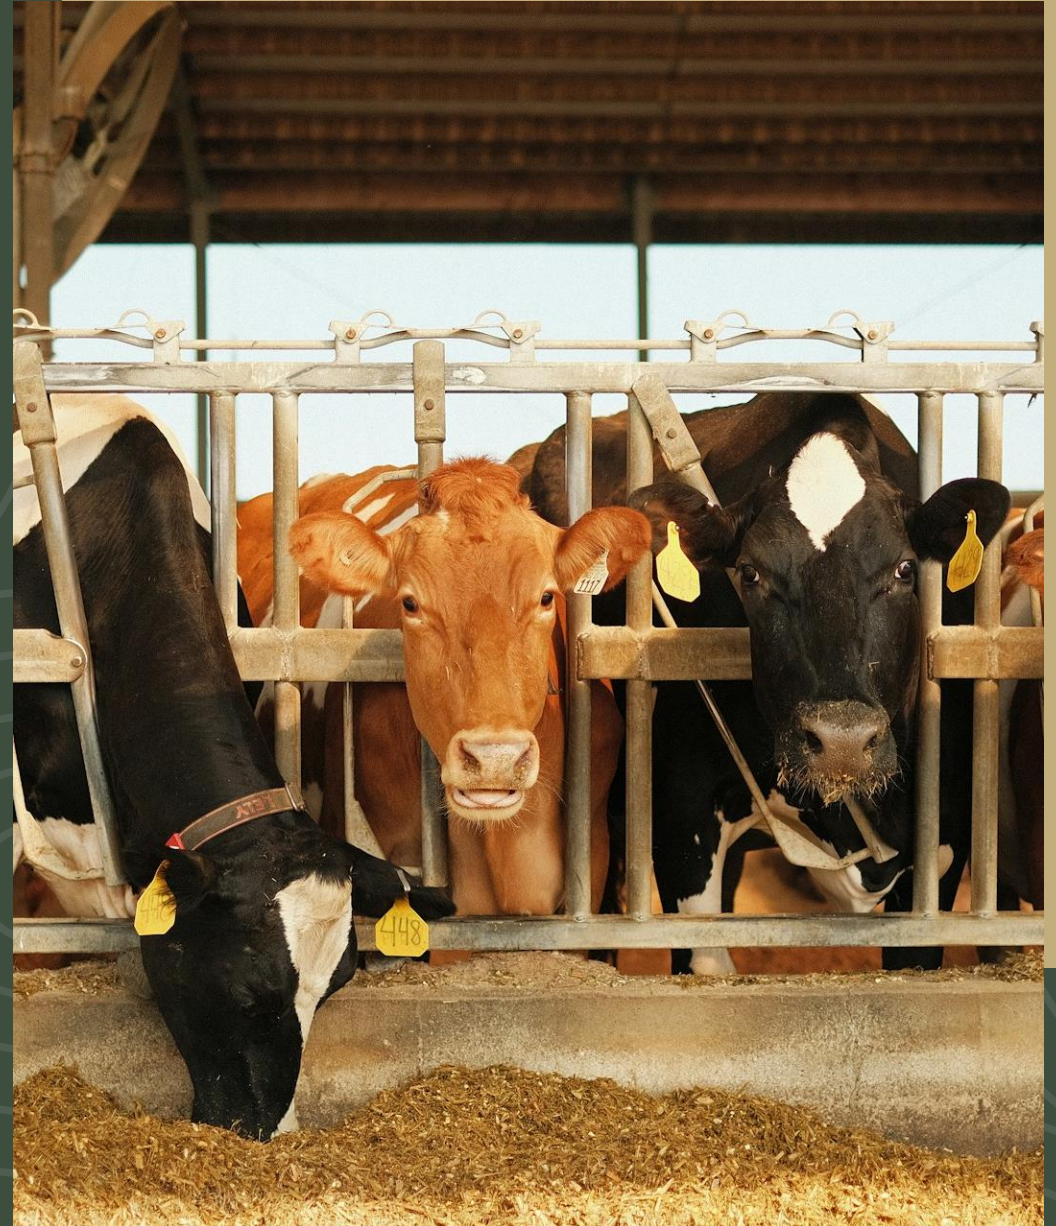

Plans

New giant ideas

Creation of an ecosystem of independent farmers with centralized forage harvesting, rearing of young animals and provision of all necessary services within a radius of 100 km

Contact

Looking forward for contacts, glad to talk!
